Honorable Spessard L. Holland
United States Senate
Washington 25, D. C.

Dear Senator Holland:

When you telephoned me the other day concerning Mrs. [REDACTED] I told you I would look into the situation surrounding her complaint and give you a report. I have now done so and find that our Inspector General had already made a rather thorough investigation into the matter.

Since there are certain circumstances in this case of which I think you should be cognizant, I would appreciate it if you would give me a call upon your return to Washington. If agreeable with you I should then like to arrange a mutually convenient time when you could discuss this case personally with me or with Colonel Lawrence K. White, my Deputy Director in charge of administrative matters.

Sincerely,

Signed

Allen W. Dulles
Director
